

# Children's Recreational Enterprise Support Trust - (CREST)

## Financial Assistance Available for Needy Children's Groups

CREST runs a novelty Train and a Shuttle Bus at the Dunedin Botanic Garden and profits are used to help needy children in the Dunedin area.

Grant subsidies from CREST are available to help groups/organisations working for the welfare of children who are disadvantaged by health conditions and/or lack of family resources to enhance the quality of their lives and offer the opportunity to increase their life skills.

Subsidies are **not** usually made towards:

- Commercial or business activities
- Travel
- Continuing subscriptions
- Leader training

## Conditions for Grants

Applications from the school or organisation involved must operate in the Dunedin Local Authority area.

Children benefiting must be of school age or younger.

The grant is paid directly to the organisation/group and is not transferable.

There is a limit of one grant to an organisation/group per annum.
